

AMEENA FATHIMA

ARCHITECT

ABOUT ME

I am an architecture graduate from Kerala with a keen interest in designing spaces that are both purposeful and people-friendly. My academic journey and internship experience have helped me develop skills in conceptual design, 3D modeling, and teamwork.

Lorem ipsum

As I begin my career, I am eager to apply my creativity, learn from real-world challenges, and grow through collaboration. I welcome feedback and new challenges. For me, design is an exciting journey of constant learning and improvement.
